### **BENEFITS OF THE MBA PROGRAMME:**

1. Provides a solid base of critical leadership and management principles and disciplines.
2. Facilitates the integration of these principles and disciplines.
3. Develops abilities to respond appropriately in increasingly risk laden and uncertain business climates.
4. Helps persons to contextualise knowledge to their specific contexts (organisation, business, sector or industry).
5. Nurtures critical analytical skills.
6. Enhances team-building and relational skills.
7. Strengthens communication skills.
8. Helps persons to make sound business decisions.

### **ENTRY REQUIREMENTS:**

- An earned baccalaureate degree from a recognised or/and accredited institution.
- A minimum of three (3) years' working experience
- Completion of the Commonwealth Executive Management Achievement Test (CEMAT) or the GMAT (where required).
- A working knowledge of the English Language at the post-graduate studies level.
- Certain pre-requisite courses may be required to be taken at UCC.
