

THE UNIVERSITY OF THE COMMONWEALTH CARIBBEAN

SCHOLARSHIP DIRECTORY

Student Financial Services

UCC Foundation

Descriptions of scholarships, micro loans and work-study programs are found in this booklet. Scholarships are open to students in any field of study offered by the University of the Commonwealth Caribbean local programs only. All available scholarships have criteria for recipient applicants. Criteria are restricted as defined. Receipt of any award listed in this section is subject to the availability of funds.

Application Forms

All interested students must have received an acceptance letter from the UCC Registrar Office before an application for scholarship can be submitted. Scholarship applications should be submitted directly to 17 Worthington Avenue, Kingston 5. Application forms are available on our website, or any of our outreach centers. They can also be requested by email from the Scholarships unit at 906-3000 or by email at schoalrships@ucc.edu.jm. Continuing UCC students wishing to be considered for the scholarships listed in this section must have a copy of their most recent transcript to accompany the application form. Applicants MUST disclose current income sources.

Deadlines & Notification

For all types of financial assistance, priority consideration will be given to applicants whose application has been received and who have been admitted to UCC by June 30th. LATE applications will be accepted and considered for the second round of awards offered in January of each year. Scholarships offered in January are limited, so every attempt should be made to submit applications in a timely manner.

Applicants and parents of applicants are encouraged to estimate their previous year income data, if necessary. Applicants who file on time will be notified of award prior to the beginning of Fall registration.

Students' Expected Earnings

All students who apply for financial assistance are expected to work and to save a major portion of their earnings to apply against the coming academic year's expenses, or to secure adequate financing on their own.

Satisfactory Academic Progress

All students receiving financial assistance are expected to establish and maintain satisfactory academic performance. For continued eligibility students must meet all of the following: A minimum cumulative GPA (under Graduates) of 3.0; each student must complete 85% of all credit hours attempted and must meet graduation requirements in no more than the average length of their program.

Students may submit a written appeal to the Office of the Dean of Academic Affairs for reinstatement of their aid if exceptional conditions exist that prevent them from meeting the requirements.

Requirement for Proof of High School Graduation

Students must provide proof of high school graduation before aid may be disbursed, even though this may not be a requirement for admission. Proof should be attached to application form.
